## NO SMOKING POLICY

In compliance with Florida Statutes Sections 386.201 - 386.2125 (“The Florida Clean Indoor Air Act”) and in order to contribute to the health and well being of our members, visitors, and workforce the Bayway Isles Homeowners Club, Inc. (the “Association”) has adopted this No Smoking Policy.

Effective December 1, 2008 the use of all tobacco products, including chewing tobacco, is prohibited in all enclosed indoor workplaces.

Under Florida law an "**Enclosed Indoor Workplace**" is defined as a place where one or more persons engages in work, and which place is predominantly or totally bounded on all sides and above by physical barriers, regardless of whether such barriers consist of or include, without limitation, uncovered openings; screened or otherwise partially covered openings; or open or closed windows, jalousies, doors, or the like. This includes the Association’s guardhouse and meeting rooms used for the conduct of Association business.
